

Hand Care

Medicated Skin Cleaner

(MSC D416)

**Removes stubborn dirt and grime from skin
without harsh abrasives.**

Leaves skin **clean, soft & smooth.**

- High quality medicated liquid hand soap.
- Will not remove the skins natural oils.
- Contains conditioning additives to help prevent drying out and cracking of the skin.
- Can even be used on face and soft tissue of arms.

Medicated Skin Cleaner penetrates deep in to the pores of the skin where it can effectively dissolve and remove carbon, ink, dirt, grease, creosote and many other stubborn deposits, whilst being gentle to the skin.

Available in 1 Litres with flip tops ,(shown above) and also in 5 Litre containers.

APPLICATION: Apply solution to the hands, work well into the skin around and under nails, finally rinse off with water. After drying skin will be clean and soft with a smooth feeling.
