

WP 1309

Drain Cleaner

Non-acidic caustic drain line cleaner and opener

BENEFITS

- Doesn't damage chrome or stainless steel fittings
- Suitable for shallow shower and bath traps
- Breaks down grease residues as well as hair build ups on the insides of pipes

PACKAGING

1LT

DESCRIPTION

A high strength alkaline product that breaks down grease that has built up on pipe surfaces. This allows hair and other clogging items to be flushed away.

Do not use with any other chemical product.

INSTRUCTIONS FOR USE

Stopped up drains:

Remove standing water, pour half a cup of Drain Cleaner into drain, add a cup of hot water and allow to stand for 10 minutes. For larger drains use double quantity of Drain Cleaner.

Slow running drains:

Mix half a cup of Drain Cleaner with one cup of hot water and pour into drain. Do not use drain for 5 minutes.

General Maintenance:

Add ½ of a cup of Drain Cleaner to hot water and pour down drain regularly.

Storage:

Store locked up
Store in corrosive resistance container with a resistant inner liner. Dispose of contents/container to a licensed hazardous-waste disposal contractor or collection site except for empty clean containers which can be disposed of as non-hazardous waste.

PHYSICAL PROPERTIES

Physical State:	Liquid
Solubility in water:	Soluble in water
Flash Point:	N/A
Boiling Point:	N/A
Melting Point:	N/A
Specific Gravity:	1.3 (at 20°C +/- 0.01)
Vapour Density:	N/A

HEALTH & SAFETY

Hazard pictograms:

Hazardous ingredients: Potassium hydroxide, Caustic Potash, Sodium Hydroxide, Caustic Soda

Hazard Statements (CLP)

H290 – May be corrosive to metals
H302- Harmful if swallowed
H314- Causes severe skin burns and eye damage

HEALTH & SAFETY CONT.

Precautionary Statements (CLP):

P234 – Keep only in original packaging.
P260- Do not breathe mist spray
P264- Wash hands thoroughly after handling
P270- Do not eat, drink or smoke when using this product
