

D403

CARPET CLEANER

Heavy duty cleaner for fabrics, upholstery and carpets.

BENEFITS

- Provides effective cleaning for large areas of carpet.
- Excellent stain removal for spot cleaning.
- Highly concentrated for machine use.
- Can be used as an upholstery cleaner e.g. car seats.
- Removes stubborn stains including beetroot stains, turmeric, red wine from worktops.

PRODUCT SIZES

- 1 litre
- 5 litres

DESCRIPTION

Highly concentrated, heavy duty formula which can be used in a variety of ways:

Can be used in carpet cleaners as per the manufacturer's instructions. Can be used diluted in a spray bottle and then use a wet-dry vacuum cleaner to pick up the moisture. Or alternatively it can be used as a spot cleaner for small areas.

Compatible for use with odour eliminator to remove pet odours and stains.

INSTRUCTIONS FOR USE

The normal solution is approximately one-part cleaner to 80 parts of water.

20ml to 10 litre bucket.

When used with a cleaning machine, this solution must be used in accordance with the machine manufacturer's instructions.

Note: A spot test on a small hidden area should always be made before starting the main cleaning process. Over concentrating or incorrect cleaning treatment could cause damage.

Wear gloves and overalls especially if splashing or spraying is likely.

Keep out of reach of children.

PHYSICAL PROPERTIES

Colour: White

Appearance: Liquid.

Odour: Characteristic.

Solubility: Soluble in water.

Boiling point: No data available.

Flash point: No data available.

Flammability: Non- flammable.

Density: 1.034 g/ml

pH: 12.4.
