

# WP 1502

## MACERATOR CLEANER

Macerator cleaner, descaler and disinfectant.

### BENEFITS

- Suitable for all macerator pumps.
- For internal/external macerators.
- Prolongs macerator unit life.
- Suitable for domestic and industrial units.
- Safe on all materials including metals and plastics.

### PRODUCT SIZES

- 3.25 litres

### DESCRIPTION

Macerator Cleaner has been designed for the regular cleaning, maintenance and protection of macerator units.

Limescale accumulation can affect the operational efficiency of macerator units, especially in hard water areas.

Regular use will protect and prolong the life of macerator units including moving parts and casings. It is harmless to septic tank operation.

### INSTRUCTIONS FOR USE

Disconnect the unit from the electricity supply. Pour approximately 1 litre into the toilet bowl, flush and leave to work for two hours.

Reconnect the unit to the electricity supply. Flush twice to rinse.

#### Frequency of use:

Very hard water areas – once a month.

Hard water areas – every 3 months

Soft water areas – every 6 months

## PHYSICAL PROPERTIES

**Colour:** colourless.

**Appearance:** colourless liquid.

**Odour:** characteristic

**Solubility:** soluble in water.

**Boiling point:** No data available.

**Flash point:** No data available.

**Flammability:** Non-flammable.

**Density:** 1.14 g/cm<sup>3</sup>

**pH:** No data available.

## HEALTH & SAFETY

### Hazard pictogram (CLP):

### Hazard statements (CLP):

H315 – Causes skin irritation.

H319 – Causes serious eye irritation.

H411 – Toxic to aquatic life with long lasting effects.

### Precautionary statements (CLP):

P264 – Wash hands thoroughly after handling.

P273 – Avoid release to the environment.

P280 – Wear eye protection, protective gloves, protective clothing.

P302+P352: IF ON SKIN: Wash with plenty of water.

P305+P351+P338 – IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do. Continue rinsing.
