

# C309

# CLEANALL

Cleaner, disinfectant and deodoriser

## BENEFITS

- Cleans, disinfects, deodorises in one go.
- For use on all bathroom and toilet surfaces.
- Contains no harsh alkalis that can harm surfaces.
- Can be used diluted so good value for money.

## PRODUCT SIZES

- 1 litre
- 5 litres

## DESCRIPTION

Cleanall is a complete cleaning, disinfecting and deodorising liquid that can be used on a variety of bathroom/toilet surfaces.

Cleanall is suitable for use on stainless steel, chrome and porcelain.

Avoid use on laminate surfaces as the blue dye can cause discolouration. Avoid using on grout between tiles as this could also cause discolouration. We produce a clear version of Cleanall if contact with laminates or grout is possible.

Leaves a clean, fresh and odour free surface. Helps keep pipes and drains clear of scale build-up.

## INSTRUCTIONS FOR USE

Simply pour Cleanall around the toilet bowl or wipe onto bathroom surfaces for easy cleaning.

## PHYSICAL PROPERTIES

**Colour:** Blue.

**Appearance:** Blue syrupy liquid.

**Odour:** Characteristic.

**Solubility:** Soluble in water.

**Boiling point:** No data available.

**Flash point:** No data available.

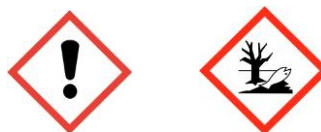

**Flammability:** Non-flammable.

**Density:** 1.11g/cm<sup>3</sup>.

**pH:** 1.5.
