

WP B220

TIFFER

Concentrated, heavy duty detergent for use with power washers and steam lances.

BENEFITS

- Effective on dirt, grease and grime.
- Safe for use in food containers and plants.
- Highly concentrated.
- Pressure washer compatible.
- Excellent at cleaning concrete floors and walls.

DESCRIPTION

Tiffer is a powerful, caustic based pressure washer additive and traffic film remover.

Tiffer is primarily designed for the cleaning of commercial vehicles, for the cleaning of traffic film from bodywork and removing greases and oils from chassis and engines.

It is also used in the engineering industry for the removal of grease and oils from concrete floors and walls.

This product is NOT suitable for cleaning cars with a cellulose paint system. Instead please use our Easy Vehicle Clean product. Tiffer is suitable for coaches and lorries.

PRODUCT SIZES

- 20 litres

INSTRUCTIONS FOR USE

Can be diluted into detergent tank up to 20 to 1 with water (1=Tiffer).

Adjust nozzle until light foaming occurs.

Work from bottom upwards in small sections and rinse with power hose.

NOT suitable for cars.
