

# SPA COVER CLEANER WP2033

An effective cleaner designed to clean, protect and enhance the appearance of hot tub covers.

## BENEFITS

- Easily removes dirt, grime and grease
- Leaves hot tub covers clean and shiny
- Free from silicone and china clay
- Leaves protective, water beading layer behind.
- Protects surfaces from scratches whilst cleaning

## DESCRIPTION

Spa Cover Cleaner has been designed to effectively clean hot tub covers, removing dirt, grime and grease. It is specially formulated to leave behind a protective layer which will also allow water to bead away.

If used with a microfibre cloth it will protect the surface from scratches, whilst lifting away the dirt.

It comes in a ready to use formula and requires no additional water for cleaning.

## PRODUCT SIZES

- 750ml spray bottle

## INSTRUCTIONS FOR USE

We recommend using 2 microfibre cloths with this product.

- Spray a small amount of Spa Cover Cleaner on to cloth 1
- Spray the hot tub cover with Spa Cover Cleaner.
- Leave for 30 seconds.
- Wipe clean hot tub cover with cloth 1
- Use cloth 2 to buff the cleaned area to a shine.
